Truckee Dining Guide

WINTER 2021–2022

Winter is here, with many opportunities for friends and family to get together on the slopes or for snowshoeing, ice skating, and many other winter wonderland experiences in Truckee. Indoor dining is back without restrictions (other than masks required when not at your table). Whether it's a celebration, a casual get-together with friends, picking up whole chef-made meals to share at home, or grabbing a quick bite and a beer after skiing or riding, you're sure to find your favorite spot to eat.

This guide will help you discover all the food options in Truckee, arranged by area of town. With live links, it makes it easy to go directly to the restaurants' websites for the most up-to-date information on their current operations.

Be Local 365 encourages residents and visitors to make supporting our local

community a way of life, including shopping, dining, and using local services and products. We want to make Be Local 365 a daily practice to help make our community stronger by thinking local first for dining, shopping, and services — 365 days a year. Our small businesses are owned and operated by our friends and neighbors, many who have struggled through the past 18 months of the pandemic. There are personal, economic, and community benefits to thinking “Be Local.” By supporting our local businesses, you ensure the money goes back into our community to help our small businesses that are vital to making Truckee the authentic mountain town that we love.

Information as of 11/22/21 and subject to change.

Food Delivery Services

Food from several Truckee restaurants, as well as groceries and drug store items can be ordered from these delivery apps:

DoorDash — www.doordash.com
Instacart — www.instacart.com

Let's Show Our Support!

#BeLocal365

1 Shop Local

- As my budget permits, I commit to supporting at least one local business each week.
- Purchase a gift card, pay for services, classes, etc. to use at a later date or give as a gift.

2 Eat Local

- Pick a day of the week. Make it your dining day!
- Many restaurants have gift cards – pay it forward and purchase a gift card to use at a later date or give to someone in need.

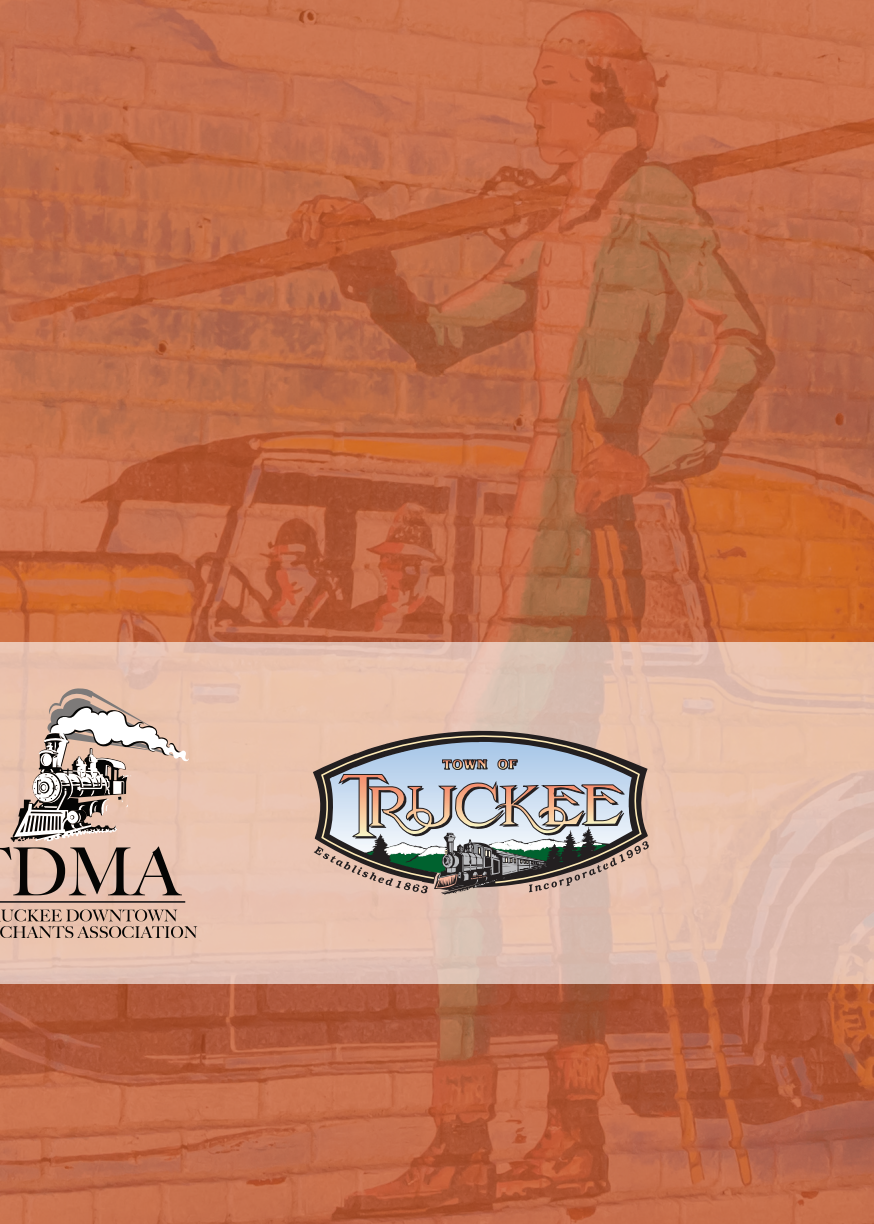

3 Give Some Digital Love

- When you shop or eat local, check in at the business on Facebook to give them exposure.
- Post photos of your food, favorite items you've purchased, etc. on social media, tag it #BeLocal365.
- Interact with businesses on social media – your likes, comments and shares help with their engagement and exposure.
- Participate in local Facebook groups by recommending your favorite businesses.

4 Go the Extra Mile

- Ask a business owner how you can help. This kind gesture will go a long way.
- Over tip your servers and service providers.
