Truckee Dining Guide

SUMMER 2021

Summer is officially upon us and that means the opportunity to enjoy the beautiful scenery, colorful sunsets, and cool mountain air while enjoying a taste of Truckee and a cold margarita or craft beer. The outdoor dining stages will stay throughout summer, and many restaurants have lovely and creative shaded patios, decks, and outside dining spots. Whether it's a celebration, a casual get-together with friends, or grabbing a quick bite and beer after a mountain bike ride, you're sure to find your favorite spot to eat.

This guide will help you discover all the food options in Truckee, arranged by area of town. With live links, it makes it easy to go directly to the restaurants' websites for the most up-to-date information on their current operations. Your best resource for the most current information is Truckee.com/FoodScene or the restaurants' own websites.

Join the #ShopLocal365Truckee movement ... the Truckee Chamber of Commerce is encouraging all residents and visitors to make supporting our local community a way of life.

#ShopLocal365Truckee can be a daily practice to make our community stronger ... and that includes dining! Most restaurants offer gift cards — simply ask! Gift cards make great gifts, or pay it forward and buy now for future use.
